

jnicol: welcome to dev everyone [6:01 PM]  
tsuname: hey all! [6:01 PM]  
jnicol: hey Pablo! [6:01 PM]  
Brouard: hey Pablo, John. [6:01 PM]  
jnicol: Is Rhiju coming as well? [6:01 PM]  
Brouard: You should have reminded him better. [6:02 PM]  
TomoeUzumaki: i did it [6:02 PM]  
TomoeUzumaki: hey all [6:02 PM]  
jnicol: Hi Tomoe [6:02 PM]  
TomoeUzumaki: hi John [6:02 PM]  
TomoeUzumaki: :) [6:02 PM]  
Jieux: hey y'all... sorry I cant, as usual, make the chat... but do want to make the request that the enlarged stabilization window in the puzzlemaker can stay open and not collapse after every mutation. [6:02 PM]  
tsuname: don't know, he may have to give class today [6:02 PM]  
Jieux: That and I want a classic EteRNA T-shirt. [6:02 PM]  
jnicol: Guess the first and most obvious question is, Is the date set for June 13th? [6:03 PM]  
Brouard: Like the one I wore in that photo, Jieux? [6:03 PM]  
Jieux: we'll talk lab later tonight if I make it on Brouard... later friends! [6:03 PM]  
tsuname: @jieux nice, we have some here in the lab => [6:03 PM]  
tsuname: later! [6:03 PM]  
jnicol: Being that is the graduation date for Stanford [6:04 PM]  
TomoeUzumaki: john- is it feasible to get hotels in the area? [6:04 PM]  
tsuname: so the issue is that june 13 is graduation data for Stanford [6:04 PM]  
tsuname: yep [6:04 PM]  
tsuname: and so there's a housing crunch around here [6:04 PM]  
tsuname: how many players are expecting>? [6:04 PM]  
TomoeUzumaki: that's the issue [6:04 PM]  
TomoeUzumaki: let me check the number real quick [6:04 PM]  
jnicol: Are we looking to move the date then? [6:04 PM]  
tsuname: depends on the number of players that are coming [6:05 PM]  
TomoeUzumaki: 12 [6:05 PM]  
TomoeUzumaki: not counting myself or vineet [6:05 PM]  
Brouard: Who is that counting? [6:05 PM]  
TomoeUzumaki: the players that applied [6:05 PM]  
Brouard: So 12 and potentially more. [6:06 PM]  
Brouard: or less [6:06 PM]  
TomoeUzumaki: around 12 [6:06 PM]  
jnicol: Have the players that applied been sent an email yet? [6:06 PM]  
TomoeUzumaki: is it ready to be sent? I sent you guys a draft yesterday.. [6:06 PM]  
TomoeUzumaki: (if it is I can send it out now) [6:06 PM]  
Brouard: Let me check... uh nope [6:06 PM]  
TomoeUzumaki: ... [6:07 PM]  
tsuname: hmmm, what's the gender ratio? to see e.g. how many rooms in a hotel we need [6:07 PM]  
tsuname: don't send it just yet, let [6:07 PM]

tsuname: let's decide this first [6:07 PM]  
TomoeUzumaki: alright [6:07 PM]  
TomoeUzumaki: pablo should I just share the registration doc w you? [6:07 PM]  
tsuname: yes please => [6:08 PM]  
TomoeUzumaki: aiight gimme one second :) [6:08 PM]  
TomoeUzumaki: looks like I shared it w you already [6:08 PM]  
Brouard: Half the battle [6:08 PM]  
TomoeUzumaki: tru dat [6:08 PM]  
tsuname: hmm let me check [6:08 PM]  
hoglahoo: I'm here! [6:08 PM]  
hoglahoo: don't do anything yet [6:09 PM]  
TomoeUzumaki: hey hog [6:09 PM]  
hoglahoo: ok, proceed [6:09 PM]  
jnicol: Have any expenses been looked into? Have any amounts been decided on to help out players planning on coming? [6:09 PM]  
JSci: in all your pinkness! [6:09 PM]  
TomoeUzumaki: i think rhiju mentioned we have \$12k as a budget [6:09 PM]  
tsuname: yeah, something like that [6:10 PM]  
TomoeUzumaki: yep. [6:10 PM]  
tsuname: got the doc, looking at it now [6:10 PM]  
hoglahoo: If only 12 people are coming, sure there are enough rooms... [6:10 PM]  
TomoeUzumaki: and i can room w my family so that's not an issue.. [6:10 PM]  
hoglahoo: are you counting 4 for me? [6:10 PM]  
TomoeUzumaki: yes? [6:10 PM]  
jnicol: so ~\$1000 for a player if 12 are coming [6:10 PM]  
TomoeUzumaki: yep [6:10 PM]  
Brouard: And I may be bringing a party as well. [6:10 PM]  
TomoeUzumaki: and some also said they don't need reimbursment [6:11 PM]  
Brouard: My entourage being the people they are. [6:11 PM]  
TomoeUzumaki: alright. [6:11 PM]  
hoglahoo: surely\* [6:12 PM]  
TomoeUzumaki: and LFP said they couldn't go.. [6:12 PM]  
TomoeUzumaki: due to exams [6:12 PM]  
Brouard: You'll need insurance for the hotels. As well as a solid gold bath. [6:12 PM]  
jnicol: Is there a hotel that is preferred to use for our group, maybe to get a better rate? [6:12 PM]  
hoglahoo: that sucks... [6:12 PM]  
TomoeUzumaki: mm [6:12 PM]  
TomoeUzumaki: john i can look into that rn [6:12 PM]  
Brouard: If the date is moved, there may not be a scheduling conflict. [6:12 PM]  
tsuname: There's a good hotel around here, the cardinal hotel, which we could use [6:13 PM]  
TomoeUzumaki: the cardinal is /amazing/ [6:13 PM]  
hoglahoo: I thought we were getting emails 2 1/2 weeks ago, I already started making reservations [6:13 PM]  
hoglahoo: but they're changeable [6:13 PM]  
TomoeUzumaki: john if the emails are ready to send i can send em out now [6:14 PM]

jnicol: best to coordinate that with Pablo [6:14 PM]  
jnicol: So are we looking to move the date? [6:15 PM]  
hoglahoo: Hi, I'm pablo. yes go ahead and send them [6:15 PM]  
tsuname: Ok, so if we get the cardinal hotel it'll be around 200/person = 3200, assuming shared rooms [6:16 PM]  
TomoeUzumaki: yeah [6:16 PM]  
TomoeUzumaki: that's also assuming there's rooms available [6:16 PM]  
tsuname: I think it's not too bad [6:16 PM]  
tsuname: yeah [6:16 PM]  
TomoeUzumaki: at that time?? [6:16 PM]  
tsuname: Well, I have to call to see if they have that many rooms avail [6:16 PM]  
TomoeUzumaki: also are the emails ready to send [6:16 PM]  
TomoeUzumaki: true. [6:16 PM]  
tsuname: they don't specify in the website [6:17 PM]  
TomoeUzumaki: mm [6:17 PM]  
hoglahoo: 200 for a single night? [6:17 PM]  
TomoeUzumaki: yeah [6:18 PM]  
tsuname: the email you sent to us looks cut off, can you send a full version? [6:18 PM]  
jnicol: per person [6:18 PM]  
tsuname: yeah, it's graduation day, it's packed [6:18 PM]  
tsuname: hopefully we can get the cardinal, but we may have to look elsewhere, like in redwood city [6:18 PM]  
TomoeUzumaki: ahh [6:18 PM]  
codygeary: that seems like bad planning.... [6:18 PM]  
TomoeUzumaki: I can stay with family. [6:19 PM]  
codygeary: hotels, restaurants, flights, will be more difficult then [6:19 PM]  
hoglahoo: yeah the dot coms claim it doesnt have enough rooms left for the 23rd/24th [6:19 PM]  
hotcreek: i know i can stay with friends [6:19 PM]  
Broud: Before we go and decide on hotels, what exactly is occurring at Eternacon? [6:19 PM]  
jnicol: Are we using the conference room and labs at Beckman to hold the conference? [6:19 PM]  
tsuname: @jnicol, yeah that's no problem, we can get some conference rooms here [6:20 PM]  
codygeary: is there any particular reason that grad weekend was chosen for the date? [6:20 PM]  
tsuname: @broud it's basically mingling and presentations from local holk [6:20 PM]  
TomoeUzumaki: i think it was the most convenient for us [6:20 PM]  
Broud: To make life difficult, codygeary :) [6:20 PM]  
codygeary: us = who? [6:20 PM]  
TomoeUzumaki: ..me and vineet [6:21 PM]  
TomoeUzumaki: and the weekend directly before and after don't work for me.. so... [6:21 PM]  
hotcreek: well you wont be able to make the time work for everyone so there are going to be some people who cant make it [6:22 PM]  
jnicol: hog, you booked a room (tentatively) for the 13th? [6:22 PM]

tsuname: the issue is that if we change the date now, many folks won't be able to make it because they already booked that space [6:22 PM]

tsuname: several in the dev team for example [6:23 PM]

TomoeUzumaki: yeah [6:23 PM]

hoglahoo: no, a little earlier, along the road. I didnt book anything in stanford yet, holding off [6:23 PM]

hoglahoo: earlier in the week\* [6:23 PM]

TomoeUzumaki: ah [6:23 PM]

hoglahoo: hotcreek is right, but right now there are apparently so few going that it may be possible to correct it :P [6:24 PM]

Brouard: Quite the predicament. [6:24 PM]

tsuname: I'm guessing we don't have everyone who's coming here [6:24 PM]

tsuname: because tentatively we could go with two weeks earlier, @tomoe does that work? [6:24 PM]

tsuname: the housing would be a lot cheaper too [6:25 PM]

codygeary: I thought/hoped there would be at least 20 or more.. [6:25 PM]

TomoeUzumaki: ....exams [6:25 PM]

hoglahoo: well, we have tomoe, hotcreek, you, john, codygeary, brouard, and me (4) that totals 10 [6:25 PM]

hoglahoo: out of 12? [6:25 PM]

hotcreek: cody the would me quite a few would have to pay for all of it on their own [6:25 PM]

TomoeUzumaki: there's i think a few more. [6:25 PM]

Brouard: Brouard [6:25 PM]

Brouard: 's plans are all tentative. [6:26 PM]

hoglahoo: starryjess you're planning on coming arent you [6:26 PM]

TomoeUzumaki: lemme look at the doc real quick. [6:26 PM]

jnicol: and starryjess [6:26 PM]

TomoeUzumaki: okay so there's 14 [6:26 PM]

Brouard: ... [6:26 PM]

hoglahoo: we have like 90% attendance here [6:26 PM]

codygeary: if the hotel costs 1/2 the price on \*not\* graduation weekend, we could have 2x more people... right? [6:26 PM]

Brouard: Well, assuming twice as many individuals show up. [6:26 PM]

hotcreek: plus dont forget about the cost of plane tickets [6:27 PM]

TomoeUzumaki: right [6:27 PM]

TomoeUzumaki: that too [6:27 PM]

Brouard: We could hire some Stanford students to fill the gaps. [6:27 PM]

tsuname: @codygeary well, if more people sign up, then yes, but I'm guessing that won't happen [6:27 PM]

tsuname: lolz [6:27 PM]

Brouard: Or I could find some local students who want a bay area vacation. [6:27 PM]

hotcreek: lol [6:27 PM]

hotcreek: i know one person who may want to go [6:28 PM]

TomoeUzumaki: oh wait there may be ppl at my school interested. [6:28 PM]

TomoeUzumaki: and another friend [6:28 PM]

hotcreek: and they live in Palo alto [6:28 PM]

Brouard: Which was my original plan to get a ride to the bay area, hahahahah [6:28 PM]  
starryjess: hi [6:28 PM]  
jnicol: hi starry [6:28 PM]  
starryjess: just got back to read the chat [6:28 PM]  
codygeary: I am still unsure how I will get to Stanford that weekend. [6:28 PM]  
starryjess: I'm planning on going [6:28 PM]  
starryjess: so far [6:28 PM]  
tsuname: I'm seeing around 4 need all expenses, meaning airplane tickets? [6:29 PM]  
TomoeUzumaki: yep yep [6:29 PM]  
tsuname: who here needs a ticket and form where? [6:29 PM]  
Brouard: A plane ticket would be last resort for me. [6:30 PM]  
Mayanne: hi, all [6:30 PM]  
hoglahoo: that depends on the date. if it changes to one the mrs can't go, I'd rather fly out myself than make a weeklong roadtrip for one person [6:30 PM]  
codygeary: I was hoping to be able to plan a lab visitation in the bay area around the same time, and get my flight paid that way... but it's not for sure. [6:30 PM]  
TomoeUzumaki: okay so are we saying that we can accept more people...? [6:30 PM]  
Brouard: You have enough money for my entire year budget. You can accommodate more people ;) [6:31 PM]  
hoglahoo: I don't even know who answers that question [6:31 PM]  
hoglahoo: I thought you were in charge, hehe [6:31 PM]  
TomoeUzumaki: hah. [6:31 PM]  
hoglahoo: I've been bribing the wrong person [6:32 PM]  
TomoeUzumaki: you've been bribing people? [6:32 PM]  
hoglahoo: money talks baby [6:32 PM]  
hotcreek: who doesn't? [6:32 PM]  
Mayanne: @ Tomoe, just wondering if you got my registration form [6:32 PM]  
hoglahoo: I'm kidding of course. [6:32 PM]  
tsuname: @tomoe is there someone else who wants to come? [6:33 PM]  
TomoeUzumaki: yes! [6:33 PM]  
TomoeUzumaki: and mayanne- yes [6:33 PM]  
Brouard: Money doesn't talk? I'm crushed by your truth, hoglahoo. [6:33 PM]  
tsuname: other players? [6:33 PM]  
TomoeUzumaki: yeah, you know gcruzer? [6:33 PM]  
jnicol: Is this planned to be a 1 day event? Just that Saturday? [6:34 PM]  
TomoeUzumaki: think so.. [6:34 PM]  
tsuname: nope [6:34 PM]  
hotcreek: i thought i was saturday/sunday [6:34 PM]  
tsuname: Two days [6:34 PM]  
tsuname: hep [6:34 PM]  
TomoeUzumaki: yep yep [6:34 PM]  
starryjess: really? I'm going to have to stay 4 nights just to make it worth it [6:34 PM]  
starryjess: which brings me to a question... [6:34 PM]  
Brouard: So when you say "local folks" are you referring to other faculty and researchers there at Stanford, Pablo, or just specifically individuals in the dev team? [6:35 PM]  
hotcreek: well starry then you can go see SF some [6:35 PM]  
tsuname: dev team, although we may have one more researching joining [6:35 PM]

Brouard: nice [6:35 PM]  
hoglahoo: @starryjess, we'll corral one of the locals to be a tour guide [6:35 PM]  
hoglahoo: show us around [6:35 PM]  
TomoeUzumaki: jess- what's your question..? [6:35 PM]  
starryjess: If the hotels are being paid for, what if someone wants to stay longer than necessary? probably have to make their own arrangements, huh? [6:35 PM]  
TomoeUzumaki: yeah, most likely [6:35 PM]  
tsuname: I'm mostly worried about the plane tickets, I'm checking them out and they are super expensive [6:35 PM]  
tsuname: given that it's a) weekend b) graduation [6:36 PM]  
TomoeUzumaki: yeah. [6:36 PM]  
jnicol: Pablo, do you have events / talks planned for the 2 days? [6:36 PM]  
codygeary: agreed! which was why I was saying a different day choice would pay for a lot more people [6:36 PM]  
hotcreek: are you having people fly into SF or SJ [6:36 PM]  
codygeary: and more paid flights would get more people to want to attend [6:36 PM]  
tsuname: @jnicol mostly for saturday, sunday is more free form [6:36 PM]  
tsuname: actually, not really, I've been looking at plane tickets for other weekends and it's basically the same price [6:38 PM]  
tsuname: maybe around 50 bucks cheaper [6:38 PM]  
Brouard: A date later in the summer? [6:38 PM]  
tsuname: averages on 1k per ticket [6:38 PM]  
TomoeUzumaki: I can't do august. [6:38 PM]  
codygeary: oh that's not big.. I guess it's the weekend requirement [6:38 PM]  
tsuname: yea [6:38 PM]  
hoglahoo: yes but they will start to rise soon because we're only about 10 weeks out [6:38 PM]  
starryjess: the plane tickets didn't seem to bad so far [6:38 PM]  
tsuname: yup [6:38 PM]  
TomoeUzumaki: yeap. [6:38 PM]  
Brouard: Only first class for our first class players. [6:38 PM]  
starryjess: I can get a ticket for 480 at this point [6:38 PM]  
starryjess: haha brouard [6:39 PM]  
hotcreek: i just need a set date so i can get the tickets [6:39 PM]  
tsuname: so we can put in ~4k for airfare, and ~4k for hotel, to leave ~4k for misc. food and drink and social [6:39 PM]  
TomoeUzumaki: that sounds about right [6:39 PM]  
codygeary: 4k drinks? for 12 people? [6:39 PM]  
hoglahoo: damn I'm in [6:39 PM]  
TomoeUzumaki: wait I can't drink. [6:39 PM]  
hoglahoo: 8k for me [6:39 PM]  
codygeary: that's going to be \*quite\* a party! [6:39 PM]  
starryjess: xD [6:39 PM]  
hoglahoo: tomoe cant drink [6:39 PM]  
tsuname: drinks doesn't mean alcohol [6:40 PM]  
starryjess: more for us [6:39 PM]  
tsuname: haha [6:40 PM]

TomoeUzumaki: yeah haha [6:40 PM]  
hoglahoo: 8k of drinks in two days means alcohol [6:40 PM]  
hoglahoo: and a designated driver [6:40 PM]  
tsuname: no no, 4k for both days for both food and drink [6:40 PM]  
codygeary: 4k of soda pop would fill a room [6:40 PM]  
hoglahoo: :) [6:40 PM]  
tsuname: haha [6:40 PM]  
TomoeUzumaki: cody- it would [6:40 PM]  
TomoeUzumaki: haha [6:40 PM]  
tsuname: let the champagne flow [6:40 PM]  
TomoeUzumaki: can it be other forms of bubbly? [6:40 PM]  
hotcreek: we should all go to the dutch goose [6:40 PM]  
TomoeUzumaki: ?? [6:40 PM]  
hoglahoo: ginger ale for tomoe [6:41 PM]  
TomoeUzumaki: heh [6:41 PM]  
hoglahoo: Is someone checking hotel availability period for that weekend [6:42 PM]  
TomoeUzumaki: is it in palo alto? [6:42 PM]  
hoglahoo: we really should make a goal of setting a date before the meeting ends imo [6:42 PM]  
hoglahoo: at least get one thing decided [6:42 PM]  
hotcreek: Tomoe its in Menlo Park [6:42 PM]  
TomoeUzumaki: i can check [6:43 PM]  
TomoeUzumaki: do I call the hotel? [6:43 PM]  
TomoeUzumaki: ah [6:43 PM]  
tsuname: @tomoe yep let's go for june 13 then [6:43 PM]  
TomoeUzumaki: so then the date is confirmed? [6:43 PM]  
tsuname: yes, unless we can't find any room anywhere, then we'll have to change [6:44 PM]  
TomoeUzumaki: okay. [6:44 PM]  
tsuname: btw, I won't be there for most of the time, cause I'm going to the graduation ceremony [6:44 PM]  
TomoeUzumaki: ahh [6:44 PM]  
TomoeUzumaki: have fun :D [6:44 PM]  
tsuname: hehe [6:44 PM]  
TomoeUzumaki: okay so then which hotels [6:44 PM]  
TomoeUzumaki: do I just go down the list..? [6:44 PM]  
hoglahoo: who is going to check out the hotel situation [6:44 PM]  
tsuname: alright, it's confirmed, let's start getting the hotels and stuff [6:45 PM]  
TomoeUzumaki: sweet. [6:45 PM]  
starryjess: I bet you can check online, Tomoe [6:45 PM]  
tsuname: let's try the cardinal [6:45 PM]  
TomoeUzumaki: okay so at this time. [6:45 PM]  
TomoeUzumaki: please look out for emails. [6:45 PM]  
tsuname: cool [6:46 PM]  
TomoeUzumaki: or I can just tell you now [6:45 PM]  
TomoeUzumaki: there is a blog for eternacon: eternacon.tumblr.com [6:46 PM]  
tsuname: if we can't do the cardinal there's one at redwood city [6:46 PM]

TomoeUzumaki: how far is that? [6:46 PM]  
tsuname: I don't think we can go for the sheraton in PA, may be too expensive [6:46 PM]  
tsuname: it's ` [6:46 PM]  
tsuname: it's 2 caltrain stations away [6:46 PM]  
tsuname: so not ideal [6:46 PM]  
starryjess: hey there's a password! [6:46 PM]  
hotcreek: tsuname have you guys checked in menlo park [6:46 PM]  
codygeary: open sesame [6:46 PM]  
TomoeUzumaki: oh there is [6:46 PM]  
hoglahoo: cardinal just told me they only have two rooms left for june 13 [6:46 PM]  
hoglahoo: and they're over \$300 apiece [6:46 PM]  
TomoeUzumaki: it's eternacon2k15 [6:46 PM]  
Brouard: the password was not password. [6:47 PM]  
TomoeUzumaki: the password is eternacon2k15 [6:47 PM]  
Brouard: not according to this computer. [6:47 PM]  
tsuname: oh damn [6:47 PM]  
TomoeUzumaki: huh [6:47 PM]  
hotcreek: its not taking it' [6:47 PM]  
starryjess: "incorrect password" [6:47 PM]  
TomoeUzumaki: oops lemme check the tumblr. [6:47 PM]  
hoglahoo: password for what? did I miss something? [6:48 PM]  
TomoeUzumaki: the blog [6:48 PM]  
Brouard: Recall that blog tomoe never gave us the password for, hoglahoo? [6:48 PM]  
hoglahoo: no [6:48 PM]  
starryjess: xD [6:48 PM]  
Brouard: Well, she still has not given us the password. [6:48 PM]  
hoglahoo: I thought I disconnected or something suddenly everybody is talking about a password [6:48 PM]  
TomoeUzumaki: wait wait wait im fixing it hang on [6:48 PM]  
TomoeUzumaki: hahah [6:48 PM]  
TomoeUzumaki: okay [6:48 PM]  
starryjess: better scroll up then, hog [6:49 PM]  
tsuname: just called sheraton, all booked even if we wanted it [6:49 PM]  
TomoeUzumaki: eep. [6:49 PM]  
hoglahoo: I don't see it up there starryjess, I must be missing chat... [6:49 PM]  
Brouard: And so it begins. [6:49 PM]  
TomoeUzumaki: <http://eternacon.tumblr.com/> [6:49 PM]  
codygeary: does rhiju have a big backyard? [6:49 PM]  
Brouard: We may be able to book a single room and shove everybody in there. [6:49 PM]  
starryjess: can't we stay farther out and take a bus in or something? [6:49 PM]  
codygeary: we can bring tents [6:49 PM]  
TomoeUzumaki: heheh [6:49 PM]  
hoglahoo: ah, lag. bunch of text just rolled in [6:50 PM]  
TomoeUzumaki: there's the blog, no password (hopefully) [6:50 PM]  
hoglahoo: @codygeary, heh. [6:50 PM]  
Brouard: No room service with backyard camping. [6:50 PM]

TomoeUzumaki: heh [6:50 PM]  
TomoeUzumaki: does the blog work? [6:51 PM]  
hotcreek: it does [6:51 PM]  
TomoeUzumaki: alright sweet [6:51 PM]  
TomoeUzumaki: om [6:51 PM]  
TomoeUzumaki: \*um at this time if yall can pm me 1-2 paragraph profiles abt yourself [6:51 PM]  
Brouard: I could probably book something in the city on an individual basis. [6:52 PM]  
TomoeUzumaki: like these can be anything about eterna or yourself [6:52 PM]  
Brouard: My original plan was to just (tentatively) pay for a ton of expenses and send you guys the bill. [6:53 PM]  
hotcreek: tomoe is there anything that we should include? [6:53 PM]  
TomoeUzumaki: ooh. [6:53 PM]
